

Count Our Lucky Stars!

2025 PARP

What: PARP (Pick a Reading Partner) is a reading challenge designed to engage and involve parents, caregivers and other adults in fostering the love of reading in children.

East Quogue is representing our reading hours with stars; students will be able to count their lucky stars on the PARP board in the main hallway. Students and families may read together at home during this time; older children are encouraged to read to their siblings, pets or stuffed animals. The goal is to read for as many minutes as possible this month!

When: The East Quogue PTA PARP program will begin on Monday March 3rd and end on Monday March 31st.

How: Students will record their reading time on a daily basis in the Beanstack app on their desktops. If you have any questions regarding Beanstack, please reach out to your child's classroom teacher.

Why: Reading is fun! And, there are some prizes!

- The top three classrooms by reading hours will receive pizza parties!
- Last year, our students read for over 2,800 hours during PARP. If we beat that total, all classes will receive an extra 15 minutes of recess!

Happy Reading East Quogue
